

**Government of
South Australia**

**DEVELOPMENT ACT 1993
PROPOSED UPGRADING
AND EXPANSION OF
FOUNDRY AT
CROMWELL ROAD,
KILBURN – BRADKEN
RESOURCES PTY LTD**

**Preparation of Guidelines for a
Public Environmental Report**

The Minister for Urban Development and Planning has declared that pursuant to Section 46(1) of the *Development Act 1993* the proposal by Bradken Resources Pty Ltd to undertake an upgrading and expansion of its foundry at Cromwell Road, Kilburn be known as a Major Development. As such it has been subject to a determination by the Major Developments Panel and will require the preparation of a Public Environmental Report by the proponent.

Bradken Resources Pty Ltd wishes to increase the capacity of its existing foundry from 12,500 tonnes of metal products per annum to 32,000 tonnes per annum and modernise its operations primarily to meet the demand from growth in the mining and resources and industrial sectors.

Guidelines for the Public Environmental Report have been prepared by the Major Developments Panel. These Guidelines form the basis for investigations needed to be undertaken by Bradken Resources Pty Ltd and will be available for public information from Wednesday 5 July 2006 at the following locations.
